N.J.S.A. 52:14-15.9e Deduction from compensation to pay dues to certain employee organizations

Section I of P.L.1967, c.310 (C.52:14-15.9e) is amended to read as follows:

Whenever any person holding employment, whose compensation is paid by this State or by any county, municipality, board of education or authority in this State, or by any board, body, agency or commission thereof shall indicate in writing, including by electronic communications, and which writing or communication may be evidenced by the electronic signature of the employee, as the term electronic signature is defined in section 2 of P.L.2001, c.116, (C.12A:12-2), to the proper disbursing officer his desire to have any deductions made from his compensation, for the purpose of paying the employee's dues to a bona fide employee organization, designated by the employee in such request, and of which said employee is a member, such disbursing officer shall make such deduction from the compensation of such person and such disbursing officer shall transmit the sum so deducted to the employee organization designated by the employee in such request. **[Any such written authorization may be withdrawn by such person holding employment at any time by the filing of notice of such withdrawal with the above-mentioned disbursing officer. The filing of notice of withdrawal shall be effective to halt deductions as of the January 1 or July 1 next succeeding the date on which notice of withdrawal is filed.]**

Employees who have authorized the payroll deduction of fees to employee organizations may revoke such authorization by providing written notice to their public employer during the 10 days following each anniversary date of their employment. Within five days of receipt of notice from an employee of revocation of authorization for the payroll deduction of fees, the public employer shall provide notice to the employee organization of an employee's revocation of such authorization. An employee's notice of revocation of authorization for the payroll deduction of employee

organization fees shall be effective on the 30th day after the anniversary date of employment.

Nothing herein shall preclude a public employer and a duly certified majority representative from entering into a collectively negotiated written agreement which provides that employees included in the negotiating unit may only request deduction for the payment of dues to the duly certified majority representative. Such collectively negotiated agreement may include a provision that existing written authorizations for payment of dues to an employee organization other than the duly certified majority representative be terminated. Such collectively negotiated agreement may also include a provision specifying the effective date of a termination in deductions as of the July 1 next succeeding the date on which notice of withdrawal is filed by an employee with the public employer's disbursing officer.

This authorization for negotiation of exclusive dues deduction provisions shall not apply to any negotiating unit which includes employees of any local school district or county college.

As used in this section, dues shall mean all moneys required to be paid by the employee as a condition of membership in an employee organization and any voluntary employee contribution to a committee or fund established by such organization, including but not limited to welfare funds, political action committees, charity funds, legal defense funds, educational funds, and funds for donations to schools, colleges, and universities.
